Debbie: Debbie & Dave

Its been nice knowing you this semester and hope we meet again next semester. I enjoy your company; what there is of it and wish there was more of it.
Debbie, I know how you feel about me and I don't know if I should feel the same way because as you know I've been spoken for. When and if Bonnie and myself part I hope there will be another chance.
By the way, there's no reason why you should be mad at me because I road to school in a '56 Chev convert. with two girls because they're old friends of mine, so there. Best of luck in reform school, summer school and the A-10 if you make it (kidding)

Dave Smith

P.S. Did you ever get that note back. Those other notes for the whole semester are home in a locked box so don't worry a bit about them. You'll probably have science over again (haha) and hope I will be in your class because I enjoy having my work done for me. If next semester you are still around I will probably be free so I'll be looking for you at

SPECTACULAR

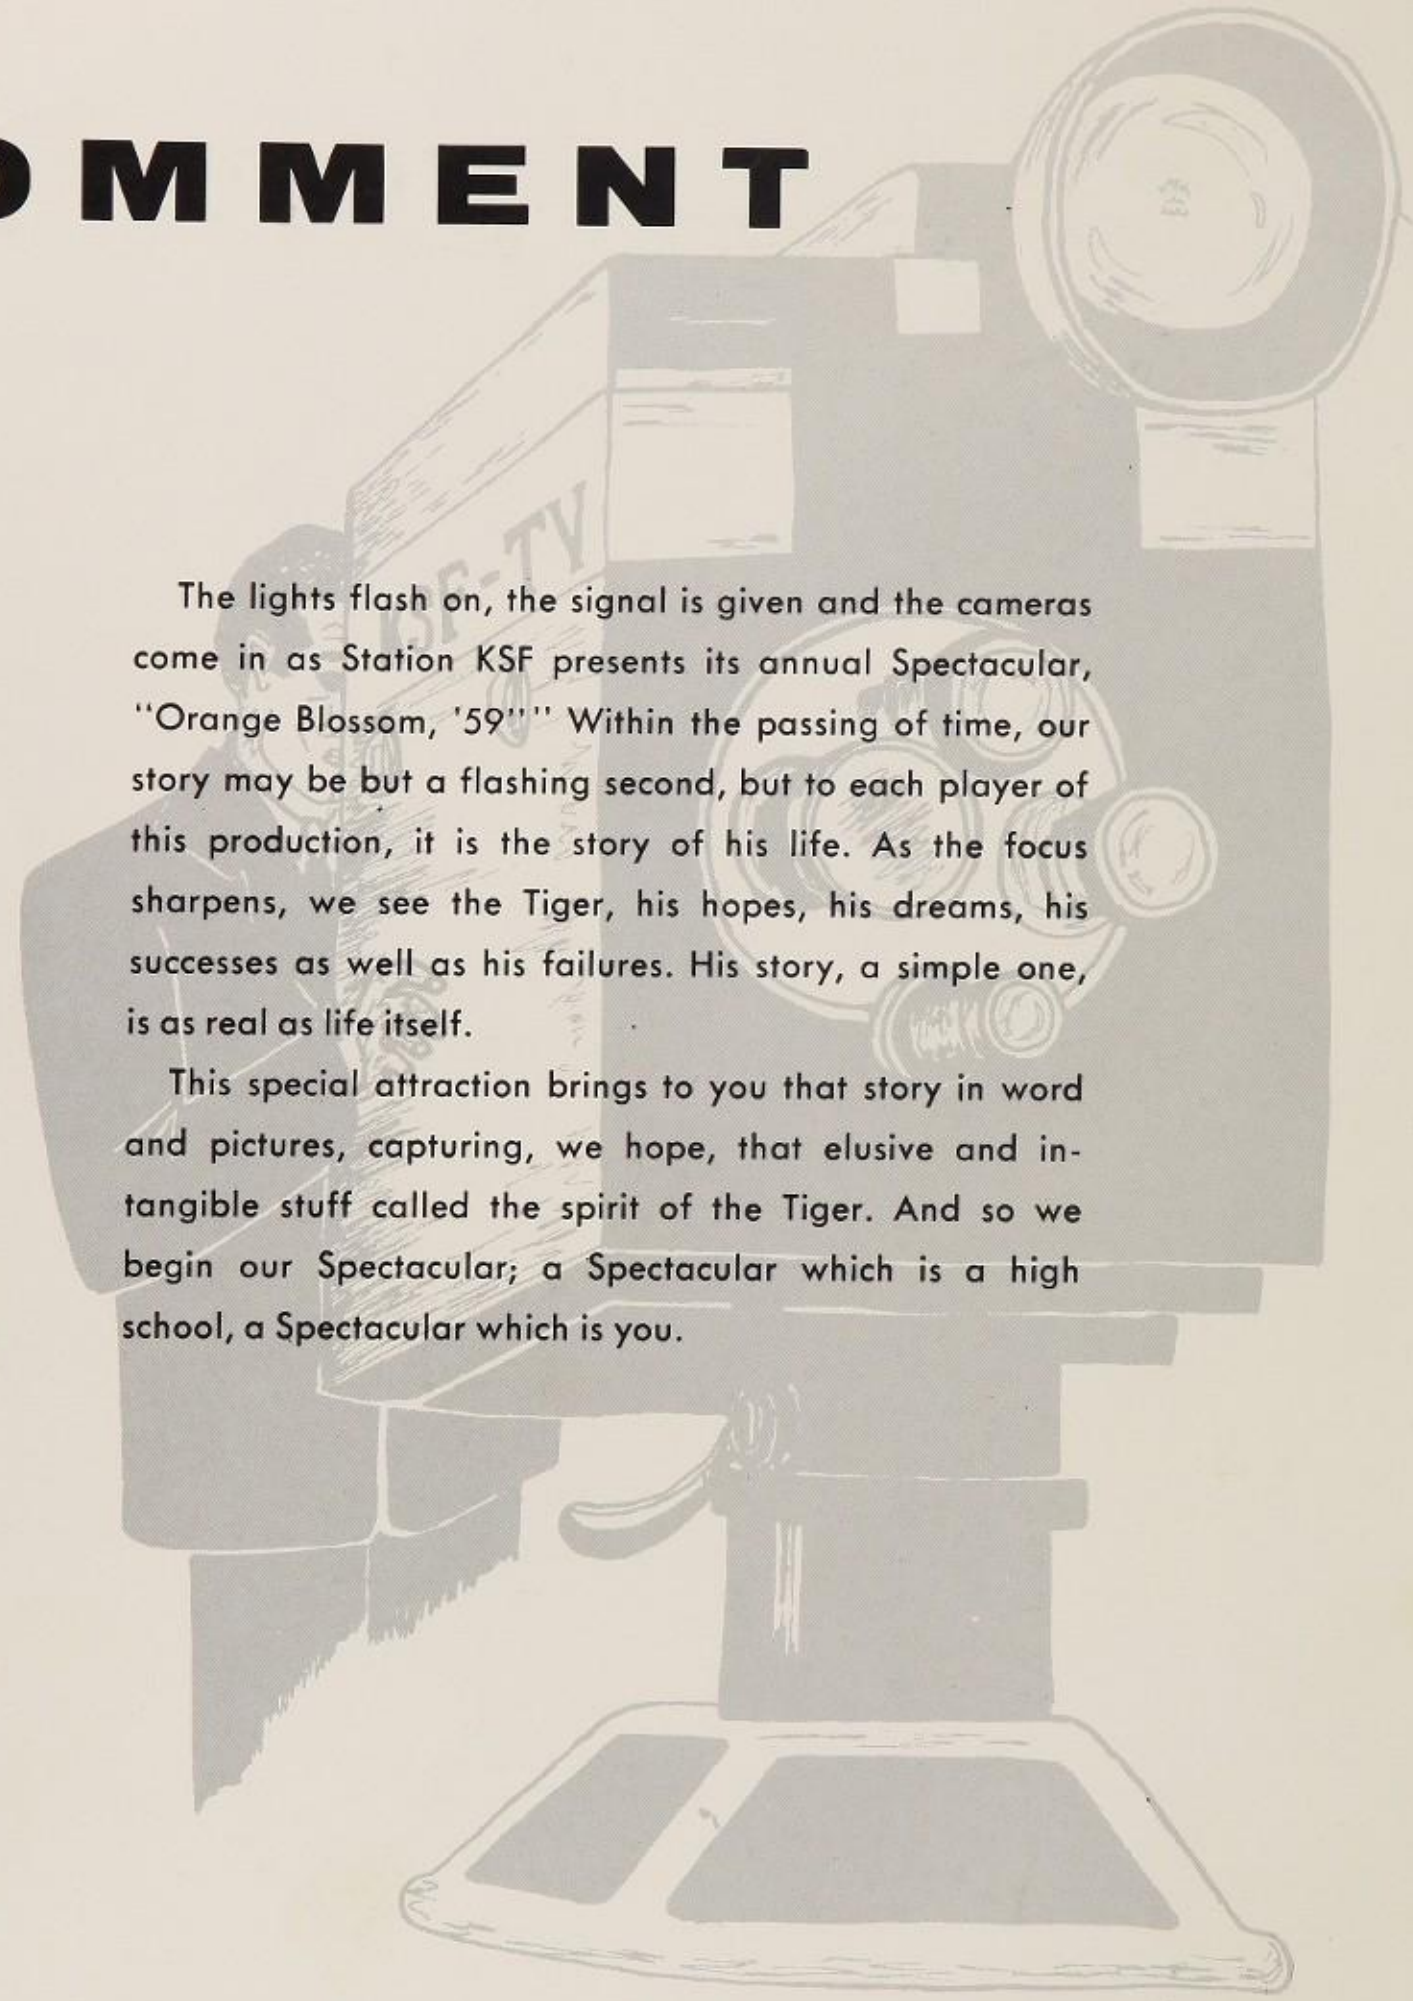
COMMENT



The lights flash on, the signal is given and the cameras come in as Station KSF presents its annual Spectacular, "Orange Blossom, '59"." Within the passing of time, our story may be but a flashing second, but to each player of this production, it is the story of his life. As the focus sharpens, we see the Tiger, his hopes, his dreams, his successes as well as his failures. His story, a simple one, is as real as life itself.

This special attraction brings to you that story in word and pictures, capturing, we hope, that elusive and intangible stuff called the spirit of the Tiger. And so we begin our Spectacular; a Spectacular which is a high school, a Spectacular which is you.

SMALL WORLD

Within our larger world is the world we know best: a video setting for the performance which any good director can help us give but never give to us. Here a person and his performance are inseparable, for ours is not a make-believe production.

The color and sound of rich differences we bring to this "small world" find a common ground when we, as individuals, become aware of the adventure of ideas, develop responsible ways of conduct, and begin to see where we will be most happy and useful in the bigger world outside.

GUIDING LIGHT

The job of leadership is at times difficult, its objectives often misunderstood, its achievements frequently unrecognized. But the searching eye of Station KSF has seen real dedication and intelligent guidance directing the policies and actions of those who produced (our administration), those who directed (our teachers), and those who played the leading roles (our student government), in the making of this Spectacular. Today and tomorrow we will not forget those who worked behind the scenes seeing that this sometimes comic, sometimes serious production was the best.

As a dedicated and capable head counselor, Mr. Gordon Pheley among other things, works constantly to meet the curriculum needs of a widely diversified Student Body.

At the beginning of this year, Tigerville welcomed, from Stevens Jr. High, our new Boys' Vice-Principal, Mr. Donald S. Grosh. Before serving as Boys' Vice-Principal at Stevens Jr. High, Mr. Grosh was head counselor, registrar, and teacher at John Adams Jr. High.

Maintaining a firm belief in the best that is in each student, Mr. James N. Swain is now in his twelfth year as Registrar at San Fernando High School.

Sweater orders, travel tickets, and Orange Blossom subscriptions are only a few of the many items whose sales are handled by the Business Office under the supervision of the Business Manager, Mr. Charles L. Martin.

After a travel leave which took her to England and South America, we welcomed back our energetic and pleasant Girls' Vice-Principal, Miss Barbara Morris.

Affable Mr. Herman Adams, now serving as Boys' Vice-Principal for the upper division, is constantly confronted with everything from student problems to community welfare.

THE PRODUCERS

At both the old and new campuses, Principal Malcolm MacDonald, has stood as a friend and inspiration to faculty and students alike. A recognized leader in secondary education in the state and nation, Mr. MacDonald feels that the first and most important objective of education is to create an intelligent and responsible human being. To him, students should first of all aim at being worthwhile human beings, and after that, good scientists, housewives, teachers, or workers in any field.

This year he has worked hard behind the scenes to realize the opening of many new classrooms, the school going on a regular session, and the first use of the new athletic field. His record at the new campus speaks for itself: six years of concern and achievement.

THE DIRECTORS

Without the work of the Directors, this show could not go on. The faculty of San Fernando numbers 116 teachers, eleven counselors and twelve department heads. Although they may be a few years older than the students themselves, their spirit is as genuine as their protege's. Because of their sincere loyalty, we find our faculty works closely together to help make our school as great as it is.

Mrs. Mary Springer, our librarian, has served Tigerville faithfully for many years.

Our library offers a quiet atmosphere for diligent research and study.

OUR LIBRARY

In the fall inventory Mrs. Schweiger had forty-five thousand books on the book room shelves.

Mrs. Pedery, the school nurse and her assistant Mrs. Green, in addition to the many cases each day, must keep detailed records.

IN CHARGE OF LUNCH AND BRUNCH

Through the efforts of our cafeteria workers the students of Tigerville can enjoy healthful and appetizing meals.

IN CHARGE OF COMFORT AND BEAUTY

Our engineers, custodians, and gardeners are doing an invaluable job behind the scenes.

OUR CAFETERIA

The cafeteria at lunch time is not only an eating place, but a congregation point for friends and ideas.

Cabinet, working with Willard Imai, Student Body President, has been extremely busy in W'58. It has made three revisions in the Constitution and By-laws. Its committees have been extremely active in leadership and sports. They were in charge of the elections and, as usual, many of the assemblies.

Board of Representatives, made up of all the representatives of the different classes, is the financial board of the school. Led by Tom Leatherwood they were very active on committees. The Board has to pass all important legislation before it becomes law.

The Advisory Board ably led by Jack Sanders had a very productive semester. The board, consisting of all class officers, excluding class representatives, made many important changes in our school sweater policy and also created a permanent sportsnight program.

This semester the various branches of Student Government have worked more closely together by having joint meetings once a month.

STUDENT COURT

The function of student court is to review and pass judgment on the offenses committed by the students of our school and reported by student service personnel. The court, itself, consists of a chief justice and marshall, recording secretary, four justices and an associate justice with whom this task rests. Court sponsor is the judicial history teacher, Mrs. Pearl B. Yoffee.

STANDING: J. Van Deest, Mrs. Yoffee, S. Kiritz, Z. Takahashi. SEATED: S. Drummond, J. Derrough, G. Furuyama, M. Machen, A. Rosenberger.

LEADERSHIP

An excellent opportunity to learn more about our school, as well as to obtain a good overall picture of student government at San Fernando is afforded by leadership club. The unusual feature of this organization is that actual student leaders participate in its many functions. Traditionally, the first meeting consists of an orientation program, presented last semester by Willard Imai, Student body president.

ETHICS

ROW ONE: Ann Rosenberger, Kris Keksi, Genny Jones, Margaret Joplin, Pat Garner, Jerri West, Sharon Farnon, Janice Derrough, Ruth Garcia. Not Ralph Edwards, but the staff of Station KSFH says, "This is your life!" In our Spectacular we have tried to catch the image of you in your moments of seriousness, of fun, of success, and of dignity. We have no cameras, automobiles, television sets, or furs to give away as prizes. Instead we give you the memories of your years spent on your campus, those intangible things on which only you can put a price tag.

THIS IS YOUR LIFE

Go, Willard, Go!

We kept it clean!

January 30, 1956, San Fernando High was honored by 306 dynamic and intelligent B-10's.

We started off with a bang by electing Hilda Ruiz as our leader. Our class officers, along with the A-10 class officers, planned a fabulous 10th grade sports night which was enjoyed by all. In the A-10 Dorothy Yagade took over the reins and led us through a very enjoyable semester.

In February of 1957 we made it to the B-11 level and Nancy Hopkins was elected to the executive position. In the A-11, led by Ernie Baysinger, we co-sponsored the Christmas Dance with the B-11's. We highlighted the semester by choosing our name and colors.

Finally in February of 1958 we became Seniors of San Fernando. On the second Tuesday of the semester The POLYNESIANS, in their Emerald green sweaters, marched into their first assembly as Senior B's. Led by the very capable Sam Kihara, we had another snow party, a beach party and a picnic at Ferndale. As the semester ended we presented the prom, "Stardust", to the class of S'58. With the words, "Now for the first time, the POLYNESIANS and the POLYNESIANS only are dismissed," we became Senior A's.

After a long hot summer we came back to school with the wonderful and outstanding Bill Wells as our class prexy. Bill led through a fabulous semester, with a Halloween party, a Thanksgiving party, a Christmas party, and several outside activities.

As the semester closed, the class of S'59 presented the prom, "Bali Hai", and Gay Gentry was chosen as prom queen with Victoria Rojas and Linda Nichols as her princesses.

Our Senior Supper was "One Enchanted Evening" followed by our Senior Play, "A Man Called Peter". The theme of Senior Chapel was "Learning Today to Serve Tomorrow" followed by the tea and Aloha Dance. Graduation came and the POLYNESIANS became alumni of San Fernando High.

AVALON SENIOR MEMORIES

An island of grass amid a sea of students clad in blue, senior problems classes strung with streamers and decked with signs, mountains of scribbled-on banged-up books, and aqua pom poms swirling about in time with deafening cheers — all these remain memories never to be forgotten. This hallowed area of fresh green bordered with flowers, of trees festooned in pink, and years of memories is the haven of the class who has stuck it out three years and earned its place of honor. They are seniors. They are AVALONS.

Resting against the grey bark of a young tree, they are proud; their thoughts wander back to the fall of 1956. Suddenly, 1,034 somewhat insecure B10's were thrust into this phenomenon of institutions. They were bombarded with talk about school spirit and student activities, assemblies, class elections, and the football season. There was that little girl with a smile always running around trying to get a class of 1,034 B10's acquainted with each other. That was Jean Muranaka, Tenth Grade President of the class of S '59. With the close of that first year, the friendliness of San Fernando High School was a part of them. And this class was turning out to be different from others . . . one which astounded the Student Body with its exceptional spirit and achievements. Two sport nights and a successful class talent assembly established them as future AVALONS.

The eleventh grade brought prestige and honor with the amazing number of B11's contributing to Student Government, clubs, athletics, and scholarship. Billy Kaku, President, united the class in the presentation of what is remembered as the most beautiful Christmas Dance in our school history, "Silver Bells." Soon after, the Student Body was dazzled with six new cheerleaders from this class.

The class was swept into the A-11 riding high upon the crest of a wave of interest in possible class names and colors. The new semester was crammed with beach parties and picnics, as well as phenomenal achievements at school. President Tom Leatherwood planned the first class snow party, a success which is still remembered. Rather than keep a wonderful thing a secret, a school-wide announcement was made that this great class was to be called the AVALONS and had chosen its color of aqua blue. From this day on, Tigerville began to sense the grandeur of the AVALONS. They recall the class playday and the general turmoil upon the publication of the A-11 Anonymous, the first class newspaper to be published at San Fernando High School. They are proud

as they review the close of the semester and the honors earned by A-11's. Girls' and Boys' States collected a record of five representatives from San Fernando High School, all AVALONS; two students, rather than the customary one, were sent to Europe because of their scholastic and leadership ability. Even before the debut as a senior class, AVALONS symbolized achievement, originality, and dignity.

At the close of three amazingly active summer months this class returned to Tigerville to resume its leadership in this its last and greatest year. On Friday, September 20, 1958, this new senior class paraded into the gym donned in aqua blue and created an image which will live long in the heart of every AVALON. The pride and spirit surging within them on that day is a feeling to cherish for a life time. An extravaganza of planned skits, clever songs and yells, spirited cheering, and the innovation of a beautiful satin AVALON banner made this assembly one which will live long in the memories of San Fernando High School. The AVALON-Polynesian Challenge Day preceded the birth of a great tradition, The Senior Sports Night.

The Football Season of 1958 . . . a glorious stadium of our own and a spirit so alive we astonished the city; a trip to China Town; and other activities became a part of the new feeling of being a senior. The AVALON President, Bob Stenberg, Secretary, Pam Austin, Vice President, Jack Stangland, and Prom Chairman, Pat Weaver, gathered the class together to present to the Polynesians the most fabulous prom to date . . . "Bali Hai." They were commended by the administration and all who attended for breaking all efficiency records and carrying out the theme with unprecedented magnificence and originality.

On an early February morning the AVALON Class song was heard on the Senior Glade. And thus began a reunited San Fernando High School on full day session. That morning and every morning the AVALONS presented the call to colors with the raising of the flag to the Student Body. "The AVALONS and the AVALONS **only** are excused" are words which cannot easily be forgotten. A record breaking pace of class activities as planned by A-12 Class President, Jack Sanders, AVALON Secretary, Joan Hausmann, and Vice President, Stan Archie, have included snow parties, beach parties, trips to Disneyland and to the Pike, a hayride, and . . . no one will ever forget Catalina. AVALONS remember their lunch hours on the Senior Glade, class picnics and the luau, Senior Problems parties and the singing contests, and another new tradition . . . the beautiful wooden emblem highlighting the Senior Glade. Terminating the AVALON Senior Year have been the Senior Dessert and Senior Play "Quiet Summer," the Senior Day, Senior Chapel with its theme "Today the Dawn of Tomorrow," Senior Tea, the Aloha Dance, and the AVALON Prom, "Once Upon a Dream."

Our dream is ending, AVALONS, and soon only the fragment of memories will be with us. But as we walk through the portals of the magnificant San Fernando High for the last time, we must hold fast to our memories, for the passage of time will try to dispel their sentiment. The future beckons us away, but may it never end our "Never Failing Loyalty."

SARACENS

After many weeks of planning and waiting, the Saracens, proudly displaying their Persian Melon sweaters, marched into the Semi-annual sweater assembly.

Senior Challenge Day followed with the Avalons winning by a close margin, but that same evening at the sportsnight, the Saracens topped the Avalons in the competition.

Their next activity was a very memorable day at Disneyland. After that they had a hay ride, several beach parties, a picnic for the Avalons, a trip to Pacific Ocean Park, and several informal parties.

B-12 class officers, David Jiminez, Representative; Susan Gill, Secretary; Bill Kirk, Vice President; BOTTOM: Carol Hand, President.

TRADITIONAL SENIOR DAY

The Senior boys participate in the potato race.

BULLETIN

"This is your life, Saracens" was presented by the Avalons with Howard Gillingham as master of ceremonies and Nancy Kominsky as the "Serutan" announcer. The skit included the Saracens as B-10's, at their sports nights, and at their class meetings.

The Saracens portrayed the past, present, and future in three skits. They included a fair Saracen "Damsel in Distress", captured by a wicked Avalon and saved by a Saracen; a pantomime to "Beep Beep"; and a story of the inhabitants of "Aqua Looner."

Following the assembly, the traditional Senior Challenge Day was held. The Seniors competed in relay races and a tug-o-war. Throughout the competition, both the Avalons and the Saracens did very well, but when the dust cleared, the Avalons emerged with a one point victory.

'SPOTLIGHT
ON YOUTH'

The ever changing face of student activity moves and stops and moves again as it is recorded by the swift-moving eye of the camera. These pictures, facets of all student co-curricular life, are the sights and sounds of dances and discussions, of plays and plans, of assemblies and accomplishments. These were our times together; through them we had our fun and said our pieces.

KALEIDOSCOPE

HALL OF

The Ladyes of Athena is the girls honor society of San Fernando High. It is composed of girls in the B-12 and A-12 classes who have shown outstanding traits of leadership, and service to San Fernando High.

The purpose of the Laydes of Athena is to act as official hostesses of San Fernando High. Through the guidance of Mrs. Virginia Grey, the Ladyes of Athena have become one of the outstanding girls organizations at San Fernando High.

At a special Laydes' tea, given in honor of their mothers, Nancy Hopkins, Laydes' President, chats with Mrs. Virginia Grey, sponsor.

LAS TAPATIAS

Easily recognized by their red and white club colors, Las Tapatias, the Spanish speaking girls' honor club, is well known for its leadership and scholastic achievement. The motto of Las Tapatias, "In goodness does not consist greatness, but greatness consists in goodness," is apparent in all the club undertakes. The high point of the year's activities, co-sponsored by Los Caballeros and Las Tapatias, is the dance of the Cinco de Mayo, bringing the festive quality of Old Mexico to San Fernando's campus.

CATERETTES

Caterettes were organized six years ago when San Fernando Senior High School came to this campus. First sponsored by Mrs. Thompson, it is now guided by Mrs. McKinley. The purpose of this club is to take care of serving at school activities, to act as hostess on different occasions, and to serve the school in many other capacities.

Club luncheons are held on special occasions such as Christmas and Easter. Last year the Caterettes enjoyed a trip and luncheon at Kings Road. The officers of the club are President: Pat Bradley, and Secretary: Peggy Gustafson.

TIGER TEENS

If there is some kind of informal activity going on in the social hall or gym, there is a good chance that it is being sponsored by one of the younger service clubs on the campus, the Tiger Teens. Under the guidance and assistance of its sponsor, Mr. Richard Stevens, Tigen Teens has grown to be not only one of the largest organization, but one which has successfully brought to the campus many additional school activities.

Officers for the upper division at the time these pictures were taken were: Shirley Griffin, president; Dorothy Bradbury, vice-president; Judy Cannell, treasurer, and Barbara Rusch, secretary.

PHILOMATHEAN SOCIETY

Philomathean is the local chapter of a statewide organization, the California Scholarship Federation. It offers recognition for scholastic achievement as well as offering opportunities for awards and scholarships. To get into Philomathean, one must have ten grade points on their report card.

Scholarship, however, is not the only interest of Philomathean. As a club it offers social activities and programs which interest its members. Some of these activities and programs are debating contests, field trips to a television studio and a trip to the Pasadena Playhouse.

SCIENCE FAIR

Bill Horton, President of the Optimists, and Jim Goodwin, Secretary, present the first place awards for the Science Fair to Glen Wheeler and Stewart Kiritz. Sandy Snyder, Anthony Sacre, Gary Welsh and Matthew Miller look on.

The Science Department of San Fernando High School held its second annual Science Fair in the social hall on January 7th and 8th this year. There were 40 student constructed projects in both the physical and biological sciences, demonstrating some principle or solving a problem. The projects were judged by Mr. John Reardon and Professor C. Willig, instructors from Northridge State College.

The six prizes awarded this year, included plaques made by our industrial arts department, useful scientific books, and science magazine subscriptions. Money for the prizes was donated by the Optimist Club of San Fernando and the President of the Club presented the prizes to the students at an assembly held on January 8th.

The winners have the opportunity to compete in the Valley Fair at North Hollywood High School and also in the National Science Fair which is held each year at the Los Angeles County Museum.

The Whirlwind took a giant step forward this year when it managed, for the first time, to carry a full tabloid size through an entire school year.

A black and gold issue commemorating the opening of San Fernando High School's new football stadium, a bi-color Christmas issue, plus a ten page senior edition, highlighted the first semester. For the first time in Whirlwind history, the Tiger emblem took its place in a new masthead at the top of page one.

Under the leadership of Elizabeth Smith in the fall semester, and Dennis Flanders in the spring, the Whirlwind was published every other school week for a total of 19 issues, including two large senior editions.

ORANGE BLOSSOM

The last deadline marked the end of a tremendously successful year for the staff of the "1959 Spectacular" Orange Blossom. This year the staff is very proud of the addition of color. We feel that this addition has improved the Orange Blossom and hope that in the coming years this medium may be used more extensively.

The television theme was selected to illustrate in an interesting manner the panorama of activity at San Fernando High.

Under the leadership of Editor Joan Koch and Associate Editor Terry Skjervheim, the staff has developed a yearbook that it hopes will be a cherished souvenir, serving to refresh the memories of the Seniors as well as the rest of the student body.

SENIOR CHOIR

The highlight of this year's activity for the Senior Choir was its appearance on "Spotlight on Youth." Other appearances have been before the student body at Christmas time, before the Woman's Club of San Fernando, the Chamber of Commerce, the local Kiwanis Club, and the Chatsworth Rotary Club.

The trying intimacy of "theater in the round" tests the excellence in acting ability of Jerry Bibby as Peter, and Bill Lewis, parishioner, in Catherine Marshall's "A Man Called Peter."

Mr. and Mrs. Marshall confer before 200 attentive students and faculty members who, this semester, highly praised both the acting and production of the senior play.

Peter Marshall (Jerry Bibby) about family problems.

January, and a centrally-staged production of the Senior Play, "A Man Called Peter," starring Jerry Bibby and Linda Hanish, touched off a busy year for our young actors and actresses.

A series of about six One Act productions (directed by the students themselves) took a great deal of time and work during the following weeks. About three of these were to be presented as Noon Shows for the student body with the admission charge going to our Student Body Fund.

The Drama Department's most satisfying event took place not on our own campus, but at the famous Pasadena Playhouse on an exciting afternoon in March. It was here that eight actors and a fine production of "The Informer" competed for honors against five other productions from neighboring schools. The outcome of the contest was well worth all the time and energy. The shows stars, Bill Lewis and Mary Taylor, won the 2nd Place awards for their performances, with Carlene Smith tying with Miss Taylor for the same honor. The play itself was awarded the 2nd Place award for production.

Other drama students like Jeanette Tondino, Charlene Lucas, Nate Lebman and Veronica Wickman took part with the others mentioned in from 10 to 20 variety and talent assemblies, and the many outside activities, to add a considerable amount of time and work to the already Fascinatingly hectic schedule.

The Summer '59 Senior Play "Quiet Summer," in honor of the Avalon class, was a fit ending for a wonderful year of production and excitement.

Our popular, and outstanding Senior Choir, with soloists Bill Prough, Margaret Joplin, and Bill Lewis, perform on the October "Halloween" show, the first choir of the year!

"Spotlight On Youth" is a weekly TV presentation devoted to the academic, the extra curricular activities, and the outstanding accomplishments of high school students in the greater Southern California area. The goal is to produce a TV program specifically designed to provide an outlet for the students' abilities and to acquaint parents and the general public with the excellent opportunities being afforded by our school.

Sparkling modern dancer Jeanette Tondino, smiles a friendly "Merry Christmas" as she dances "Mrs. Santa Claus" on the December 25th production. Miss Tondino has appeared a number of times in past "Spotlight" productions.

SPOTLIGHT ON YOUTH

The first show of the 1958-59 season! Vocalist Bill Lewis, surrounded by models from another high school, sings "Easter Parade" as a preview of that season of the year. Bill's 8th appearance on "Spotlight"!

Lovely modern dancer, Carlene Smith, performs the beautiful "Autumn Leaves" for the "Spotlight" cameras. Also on the first program, the dance signified the fall season, as Miss Smith appeared for her fourth time.

Miss Skerrett, Mr. Boone and 'Kid Swain' of the typical family watch Mrs. 'Frankie' Hecht shoot up Mr. 'Johnnie' Johnson and Mr. 'Paladin' Rich on "Have Gun, Will Travel" a few minutes after being invaded by the beatnics from the Cools-it Coffee House.

SPOTLIGHT ON AGE

Swords flashed, guns banged and feet flew as the faculty performed on the Auditorium stage in the newly revived faculty follies of S'59. The lively comedy skits were enjoyed by both actors and audience. TV Time in the American home on the San Fernando stage will be remembered by all who saw it.

Margaret Joplin and Bill Prough portray a love-smitten couple as members of the modern dance group tell the story through movement.

Nancy Nicholson does an interpretative dance about a gal from Gary, Indiana.

FOLLIES

This year's Follies was one of the best and most successful shows of the year. The performance was done with a minstrel theme, containing songs and dances by our own students. The emcee was Jimmy Larsen (center picture), with Tom Dyer and Jerry Bibby as the endmen. It contained some of San Fernando's best talent including the modern dance groups, the Senior Choir, and the school orchestra. The show was presented at two assemblies and one evening performance.

Trinka Highfield, Glenda Fields, and Judy Farkas do an old southern version of "Way Down Yonder in New Orleans."

AT THE

School wouldn't seem like school if we didn't have assemblies now and then. Pep rallies, variety shows, Student Body functions, and more serious affairs such as the seasonal programs are constant fare. Every event adds a little more spark to our story. Though each assembly is actually different, every student anticipates the traditional ones, such as the Club Day Assembly, Sweater Assembly, Student Body Nomination and Inauguration Assemblies, the Sportsmanship Assembly, the Christmas and Easter Programs and a Pep Rally for every sport.

ASSEMBLIES

San Fernando High School's famed spirit is demonstrated at each of its assemblies by its fine behavior. The strength of its spirit can be seen in the keen rivalry between Senior classes as well as by our attentive audiences. As a school we are fortunate to be entertained by so many top performers as we have been this year. It can truly be said that the assemblies have added much color to our Spectacular production.

Music and dancing were highlights of the Christmas production, "Why the Chimes Rang," featuring Mrs. Redding's dancing classes, the Choir and Glee Club, with background music by the high school orchestra conducted by Mr. Aspen. The story is about a cathedral with chimes that will not ring. Scene One showed two young brothers on the way to the cathedral stopping to help an old woman in

CHRISTMAS 1958

need. In the scenes that followed, a queen, a millionaire, an author and flower girls are depicted giving gifts to the church. No chimes rang. The smaller brother dropped silver coins into the offering and the chimes started to ring.

Mrs. Becke had her choral group sing, "Jesus Thou Art Virgin Born'" "Ding, Dong, Merrily on High," "Jingle Bells," and "Deck the Halls."

SWING O RAMA

Mr. Aspen and the Swing Band, Nancy Kominsky's Bedtime Story; vocals by April Hill, Bill Lewis. and the Page Girls, all blended together to make Swing-o-rama a terrific success.

"Manhatten Spiritual," the finale, was interpreted by Charlene Horak, Shirley Dobratz, LuAnn Ball, and Charlene Lucas.

MODERN DANCE

Members of the modern dance classes, directed by Mrs. Redding, participated in school assemblies and various charity shows. Illustrated here are the beginning class doing its warm-up exercises and the more advanced class demonstrating an interpretation of emotion.

Food, then music entertained many of our students at the noon dances held throughout the year.

LET'S DANCE
STRICTLY INFORMAL

Twisted crepe paper and smiling dancers are typical of the decorations and fun of a seniors problems party in the social hall.

Another dance, another season; different seniors, different sweaters; a new color and we're still dancing.

In the social hall or the gym; in school clothes, in formals or costumes; dancing is popular anytime at SFHS.

Shirley Griffin got her man, but Jim's not complaining.

Recorder Carol Sweet and Parson Al Sherman refuse to let these innocent ones get away.

These Sadies, Lynda and Sharon, seem to be happily looking forward to a fun-filled evening with their Lil' Abners, Glen and Bert.

SADIE HAWKINS DANCE

The Sadie Hawkins Dance was the main social event of the fall season. There were such doin's as kissin' at kissin' rock where Dogpatch lovers did some courtin'. After this they usually wound up at the country parson's place, ready to be hitched. Then after being tightly bound in wedlock by the sweet words of the parson, they ventured forth to the kick-a-poo juice stand for a honeymoon toast. For the Sadies that couldn't hook a man, there was a race for lives, where the first man caught was the mate for the evening. All agreed it was the greatest.

BALI HA'I

Chuck Ellis fills another space on Gerry Casper's dance card.

"Bali Ha'i" was playing in the background when the announcement was finally made; "Gay Gentry is the queen of Bali Ha'i." Gay, dressed in a sky blue full length formal, was escorted to the throne by her date, Bill Schmidt.

Princesses for the Polynesian Senior Prom were Linda Nichols and Victoria Rojas. Linda, escorted by Jack Pentner, wore a ballerina length formal of peach color. Victoria chose a white full length strapless gown and was escorted by her father.

Under the shimmering gold lights and stars, surrounded by golden palm trees and the inviting music of Marshall Cram's Band, the Senior Class danced to the theme of Bali Ha'i. A special bouquet to the Avalons for their efforts which made this Winter Prom such an outstanding one.

The senior Christmas dance was one of the highlights of the Polynesians' activities. The decorations of Polynesian green and white fit in well with the theme of Christmas. The main attraction was the refreshments. A complete buffet dinner was served. Dancing to the Hi-Fi, games and food were enjoyed by all. The traditional senior decorations were expertly hung and the gay atmosphere was reflected in the bright mood of the dancers.

This was the last class dance of the season and gave a terminating bang to the semester; a full year of fun for the Polynesian class of W'59.

SENIOR CHRISTMAS DANCE

On January 23, 1959 the semi-annual Aloha Dance was presented to the Polynesians by the Student Government. Zen Takahashi and Tommy Leatherwood were the co-chairmen of this year's dance, "Polynesian Paradise." The Polynesian theme was carried out in green and white by various island fantasies. The music was played by Bill Oaks and his Orchestra.

ALOHA DANCE

A fair-well from some of our Polynesian friends.

Bob Herzog, Linda Horn, Margaret Joplin, and Nick Boarder enjoy conversation and cokes together.

MARDI GRAS

As we look back through the past semester, we are sure to remember that Friday night in February when Le Cercle Francais presented the annual Mardi Gras Dance. Two hundred masked figures danced to the music of Dan Stewer and his band. The general chairman this year was Ada Manes. Pam Sturdyvin and Zen Takahashi planned the decorations and Wayne Johnson was in charge of the big clean-up. His Majesty Benny Inez, representing the Senior Choir, and Her Highness Gerry Casper, representing Laydes, were crowned during the first intermission. Sue Cass was mistress of ceremonies.

CINCO DE MAYO

The annual Cinco de Mayo dance was a big success. Gay señoritas and señores whirled around to the music of the Spanish Band. Bright Spanish figures decorated the walls and colored lights played on the faces of the dancers.

The dance is held to celebrate a battle in the Mexican war for independence. It was the battle that gave the soldiers the courage to fight on to win freedom for the Mexican people.

The anticipated excitement can be seen on the faces of Karen Wilson and Bill Burwell as they enter.

ONCE UPON A DREAM

Time passes fast. For our Seniors it is the end of a wonderful and exciting year.

Cherished memories are topped by those of the Senior Prom and all its magic.

What creates the prom night magic? The fancy new car, the tuxedo, the dainty corsage, and the frilly formal all add to the ecstacy. Soft music, Prom Queen, and gorgeous decorations create the setting about which the rest revolves.

The beautiful queen chosen for this prom was Judy Harmon. Her escort was Robert Eaton.

The Orange Blossom Staff expresses its regret that the pictures of the S'59 Avalon Prom, ONCE UPON A DREAM, could not be entered in this year's annual due to the late date of the occasion. We wish to express our hope that this prom, and all its beauty and grace will leave a lasting impression on the minds of all who attend.

The magic evening now in the past, George Neuhart and Dotti Bain depart with fond memories.

A quiet fox trot and dreamy thoughts create a world all its own.

LETTERMEN

The Lettermen, led by Bob Quist, have improved their club tremendously this year. It was a year of re-organizing and planning for the future. The Lettermen felt very lucky to acquire Coach Lozano as their new sponsor.

The major accomplishment of the club this year, and what is considered as one of the finest achievements of any of our high school organizations, was the Scoreboard Assembly. Planned and sponsored by Lettermen, suckers were sold to raise money to help pay for the new scoreboard installed last fall on our new football field. Over three hundred and fifty dollars was collected at the assembly.

VARSITY

This year's Varsity Football team gave the fans a lot to remember. After losing the first four games, two of them by a single touchdown, an inspired group of young men went onto the field against arch rival Van Nuys. The Tigers completely dominated play well into the second half, and favored Van Nuys barely pulled out with a tie. Against Poly victory came to San Fernando by the score of 14 to 6. At North Hollywood the Tigers faltered 28 to 0, but then closed out the season by beating Monroe 35 to 13.

The success this year was due mainly to one of the best backfields in the league, consisting of Jess Pimental, Carl Randle, Dennis Johansen, and Bob Lujan, along with the inspirational play of Captain Harry Caulk at end.

For the second consecutive year the B Football team played under a new head coach. This year Coach William Boone led the young Tigers through a season highlighted by the upset victory over Canoga Park, 7-6. This was the first victory of the campaign, and for the remainder of the season they proved they were hard to handle. They lost to Van Nuys 0-6 in the last quarter, slaughtered Poly 25-0, fell to a fired up North Hollywood team 32-6, and overcame a 6-7 deficit in the final period to beat Monroe 26-7.

Sparked by Crispen Garcia, Bill Kaku, and Ray Leemos, the B's finished the season with a 3-4 record in league play.

Teamwork and desire, these were the two things that carried the Tiger Varsity Basketball Team to third place in the Valley League with an 11-3 record. Smaller than almost every team they played, co-captains Roger Marshall and Mike Violette, along with Jim Hormuth, cut the opposition down to size. The other two, Calvin Campbell and Chuck Darrow, fought hard all the time and scored when the others didn't.

San Fernando was beaten by champion North Hollywood twice in very close games, 54-47 and 64-61 in an overtime. The only other loss was to Van Nuys in a night game, 73-59.

In the City Play-offs, Coach Vinnie Seekins' team found themselves leading powerful Fremont in the second half because of great team play. But Hormuth fouled out, and the rest of the team couldn't keep up with the speedy Pathfinders, who finally won 72-55.

JUNIOR VARSITY

The Junior Varsity Basketball team brought home to San Fernando its best record in several years. Considered weak by many at the start of the year, this small squad upset strong Reseda in a rout, 43-34, and gave some of the other tough teams in the league trouble.

Jim Heath was the big man for the Tigers, with an average of better than 15 points per game and winning All-Valley honors. Pat Garner played steady ball at center and was chosen co-captain of the team along with Heath.

With only one Varsity player returning, Coach Vinnie Seekins is counting heavily on this year's J.V. team to carry a lot of the load next fall.

A new coach and a new team had both proved themselves by the end of the season. Coach Ken Smith brought around a green B Basketball team to a 5-9 record in Valley League play. By the middle of the season the team was at its peak as it beat second place Reseda 41-39 at Reseda.

Bill Burwell was chosen team captain and Dick Ashmore most valuable player as their leadership and team play were recognized as a reason for the team's success.

C BASKETBALL

The C Basketball team, with Ken Iwata and Ken Peters showing the way, brought home a record of 7-7. The best effort of the year was in losing a close ball game to undefeated Van Nuys. The Wolves found they were being beaten by a team they had taken too lightly and just barely came back to win.

Coach Ken Smith is looking forward to getting most of these little men back next year as B's.

VARSITY

The Tigerville Cross Country squads maintained their proud record of never losing a dual meet as they won at least two out of three races in all seven matches of the fall season, and also captured the third race for a clean sweep against both Birmingham and North Hollywood.

Winning four out of seven league races this year, the Varsity harriers were led by Richard Hernandez and Jim Blair to a fourth place in Valley standings.

The fastest time of the year for the San Fernando Varsity was a strong 9:12, set by Hernandez in the League Finals at Pierce Junior College. In the same race, Blair was close behind with a time of 9:15.

Jim Blair puts on a strong finish.

Bechtold holds onto a slim lead over Inez near the finish.

JUNIOR VARSITY

San Fernando's Junior Varsity harriers wrapped up the season in third place, with Ruben Flores and Jess Padilla clipping off their fastest times of 9:39 and 9:48 respectively in the Valley Finals.

The Tiger jayvees lost only two out of seven league races; bowing before Van Nuys and Monroe by narrow margins of seven and nine points. However, Flores captured an individual fourth place in the Valley Finals to qualify for the City run-offs at UCLA where he emerged with a final tenth place position.

CITY CHAMPIONS

TENTH GRADE

Bringing home glory for San Fernando High School seemed to be a habit with Coach Al Arp's tenth grade cross country team this year as they paced themselves through the season for an undefeated record, and the highest honor possible, the Los Angeles City Championship.

The Tiger harriers were led by Frankie Inez, a promising young runner who streaked across the finish line at U.C.L.A. last fall to gain an individual second place in the City Finals. Close behind Inez was Ron Acuna and Sam Nay, two more runners who were vital in helping San Fernando's squad ram its way through the Valley Finals and the City Preliminaries to the final victory.

VARSITY TR

Determined and highly spirited, the 1959 varsity track team surprised many with their unexpected power. Working on a 4 and 4 record with the possibility of a fifth place finish in the 9 team league, Coach Johnny Washtler's junior dominated team is waiting for next year when they should be one of the top teams in the league.

Led by juniors, Carl Randle, Dennis Johanson, Jim Blair, Richard Hernadez, Mike Tisdale and Jim Taylor; seniors Gene Thomson, Gilbert Gomez, George Vejar, Duane Ingram, Dick Payne, the Tiger aggregation was able to post many top marks.

Boasting many top stars, the Bee track team is having one of its most successful season in years. Being undefeated in seven outings, the prospects look extremely good of having an undefeated dual meet season and winning the Valley League Championship.

Some of the many outstanding individuals on the team are Joe Donn, Bill Williams, Sammy Nay, Jess Padilla, Don Green, Bob Cano, Joe Barett, Joe Padilla, John McDowell and Henry Muro.

The C team, defending Valley League Champions, have won 5 and lost 2 and barring serious injuries to key members should have another championship team.

Outrunning his opponent, George Vejar comes in for first place in the 440.

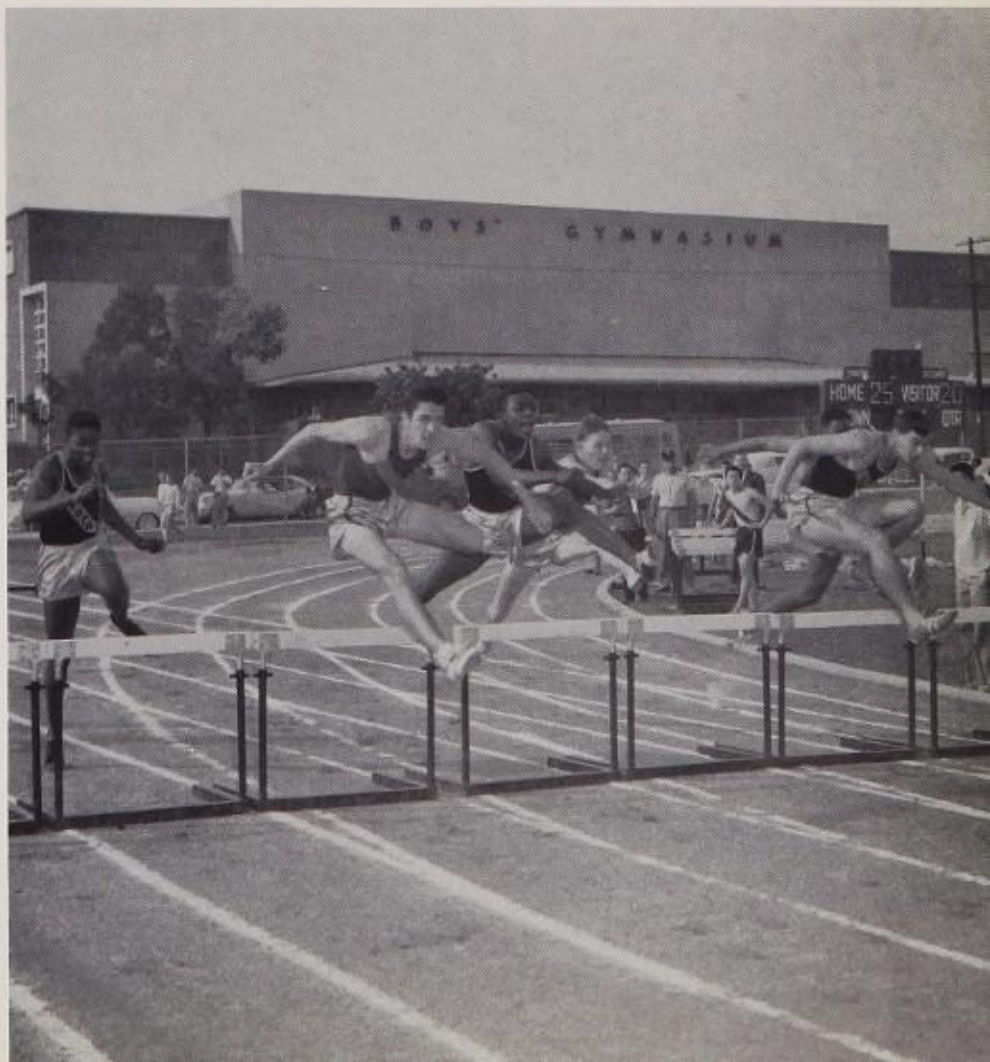
TOP ROW: Gerald Daunt, Charles Renta, Ed Morgan, Ronald Meyers, Wayne Steven, Lindal Graf, Harold Lynch, Richard Hernandez, George Vejar.

Conrad Willet and George Vejar are off to a fast start in the 440.

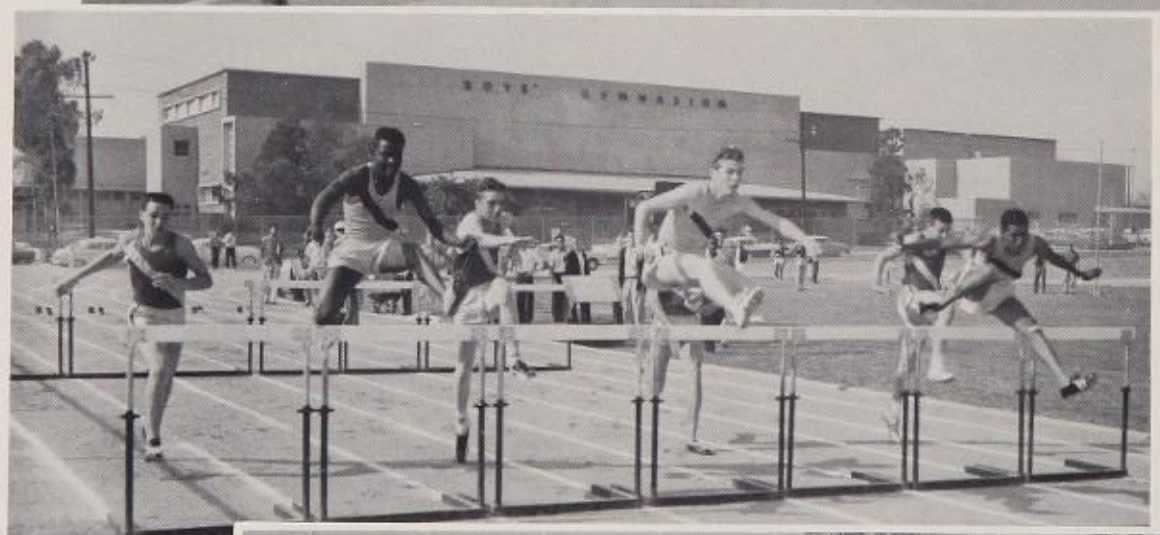
The low hurdles proved to be another welcomed event in the Tigers' conquest of their opponents.



B SQUAD

BOTTOM (left to right): Ronald Acuna, Billy Williams, John McDowell, Sam Nay, Tom Dyer, Joe Barrett, Joe Dunn, Henry Muro, Jim Ayers. MIDDLE ROW: Jess Padilla, Gary Lehman, Steve Leatherwood, Jim Payne, Jim Sheppherd, Chas. Whitfield, Carl Lee, Ray De La Cruz, Doug Barnard, Max Jones. TOP ROW: Mike La Beau, Mike Wilson, Clint Fullmer, Armand Del Caudio, Wyeth Hickerson, Ted Pledger, Chas. Goldsberg, Robert Cano, John Perales, Ira Hodges, Dennis Yamamoto, Chas. Miltonberger.

Forming a strong 220 trio for the B's are Barrett, Green and Williams. Here they sweep the field by coming in first, second, and third against Birmingham.



Another strong spot in the Tiger B lineup is the high hurdles. Barrett, McDowell, and Hillery succeed in outrunning and jumping their opposition.

C SQUAD

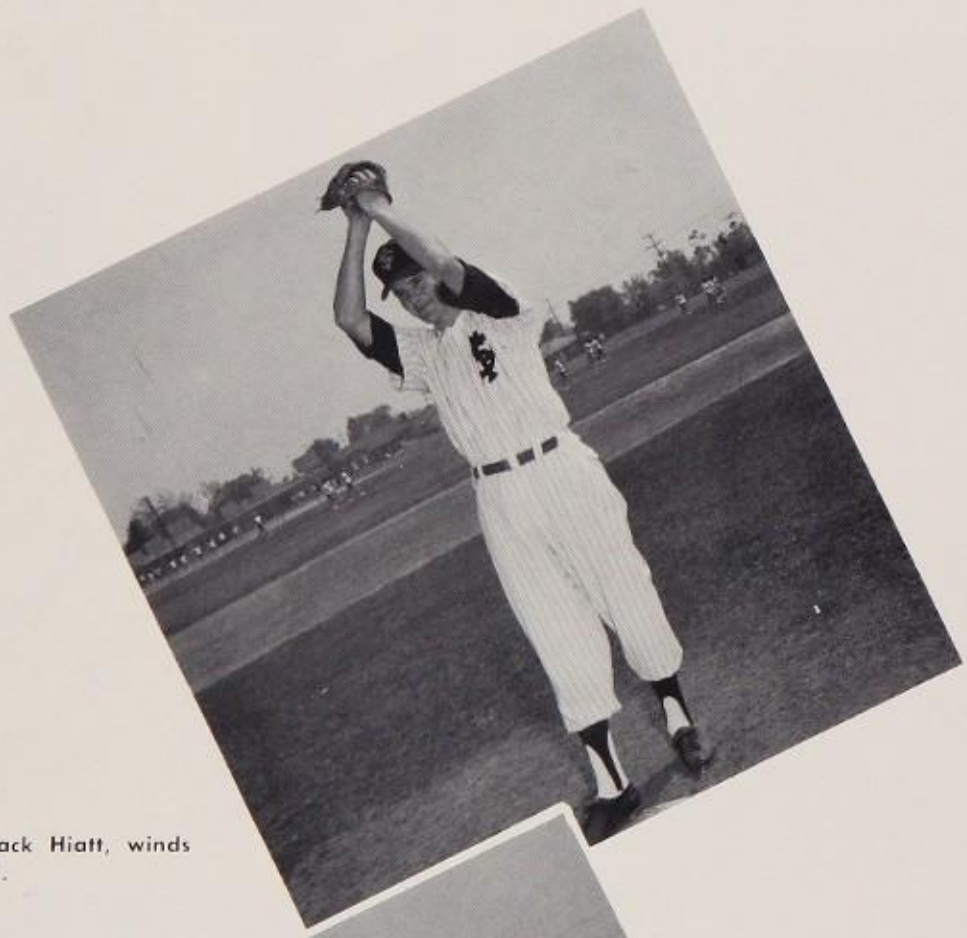
Third out, as ball is thrown to first baseman, Art Valenzula.



Varsity star, Jack Hiatt, winds up for the pitch.

BASEBALL

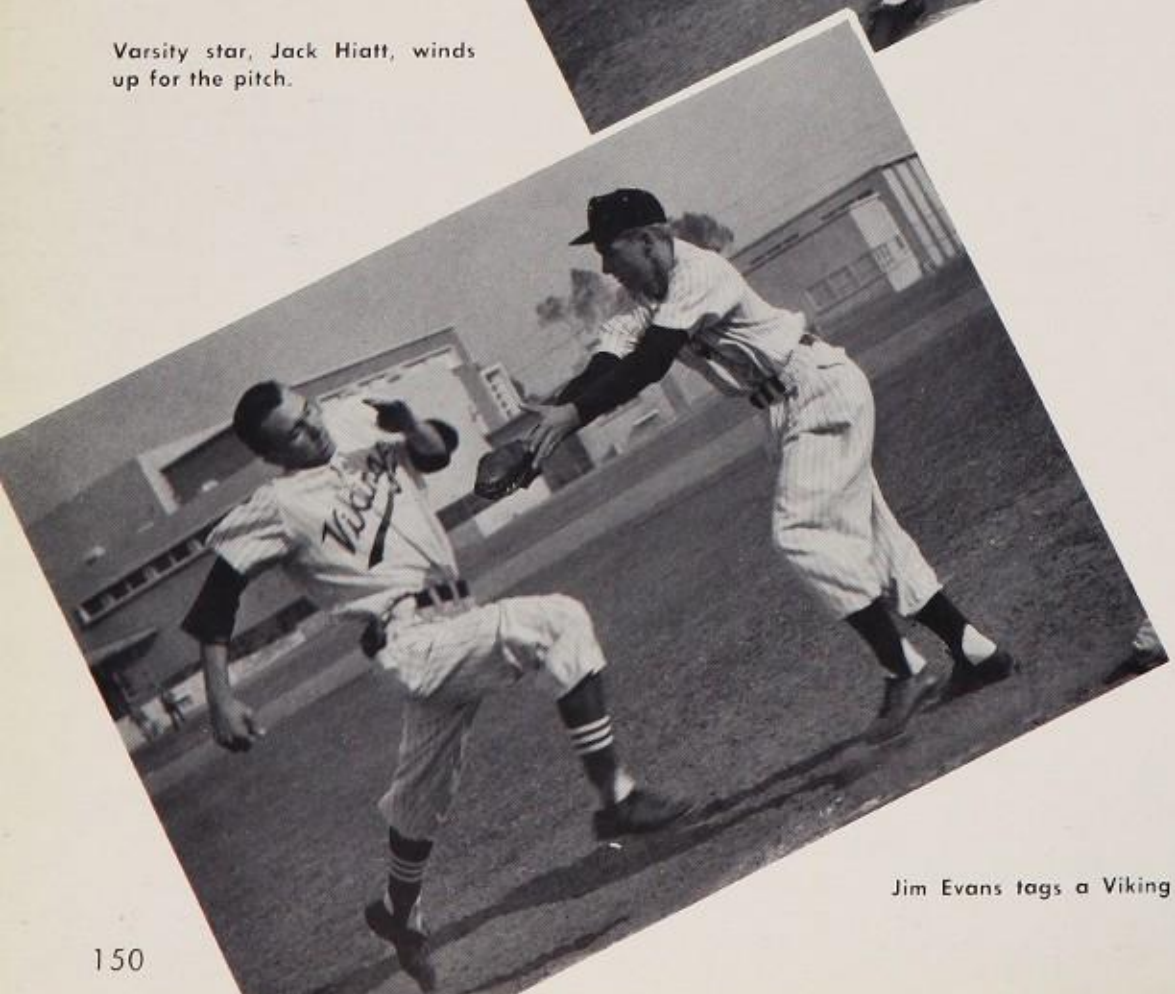
Tremendous pitching, outstanding hitting and a solid defense marked the 1959 Varsity baseball team.

Led by Buddy Roberts, last year's co-player of the year as catcher, and pitchers Jack Hiatt and Jim Evans, Coach Orlan Schmidt's squad was able to post a 5-2-1 record for the first round of the season. This record landed them in second place, a half game behind league leading Reseda and Canoga Park.

Harry Lawing and John Barker, promising 10th graders, and senior Ron Bode with either Jack Hiatt or Jim Evans, rounded out the infield. The outfield consisted of David Guzman, left field, Gary Montieth, center field, and Jim Wiseneth in right field.

Defending Valley League champions, the JV's are looking forward to the second round when they will try to improve on their third place 4 and 4 record.

Coach Philip Lozano, who is in his first year as coach of the Junior Varsity baseball team, had some outstanding players to work with. Jerry Stoncipher, Gary Ludwig and Dennis Norman gave him an excellent pitching staff. Lynn Hodge, catcher; Art Valenzuela, first base; Bobby Mitchel, second base; Micky Deutschmann, third base; and Arnold Durazo, shortstop; provided a sharp dependable infield. The outfielders are Kenny Peters, left field; Ruben Calzada, center field; and Ronnie Scerrono in right.



Jim Evans tags a Viking at first base.

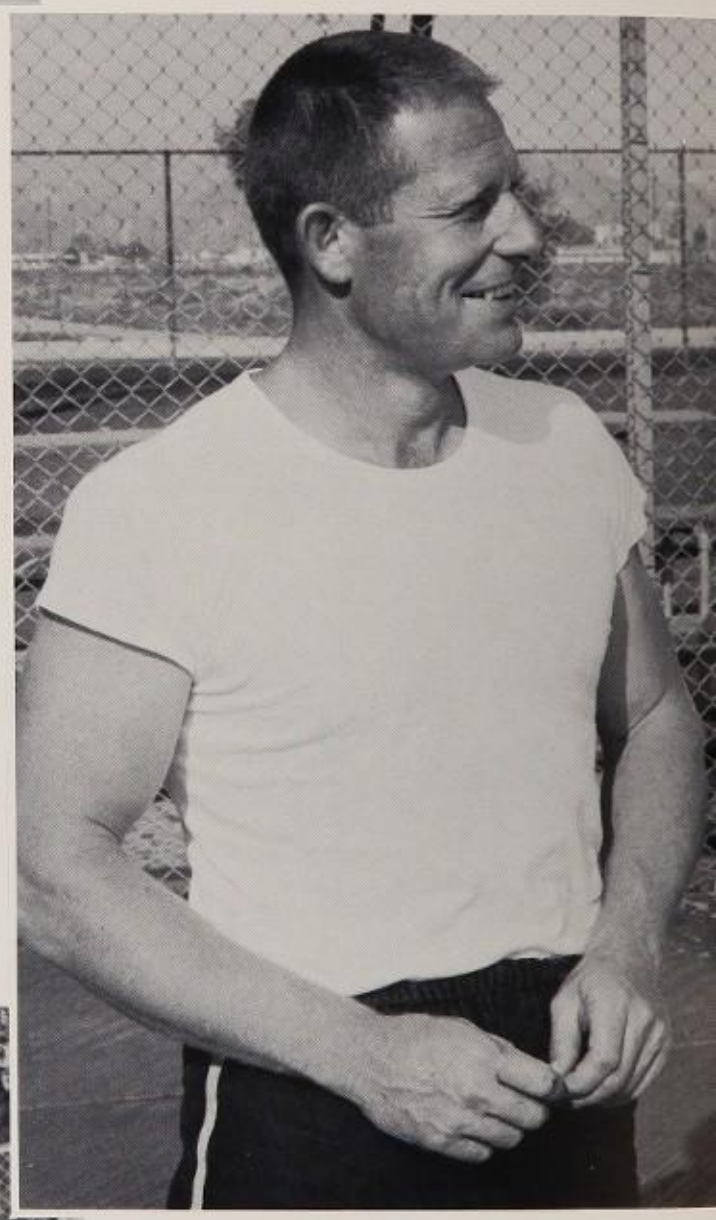
The increased stress on water sports in Southern California has influenced the decision of San Fernando High School to adopt swimming as a school sport. Thus, with the excellent training and guidance provided by Coach William Boone, and the use of the facilities of the San Fernando Recreation Center, our school has launched into its first season as a member of the highly competitive Valley Swimming League. Although our ranking in the league is not as high as we might desire, we can anticipate better results as our novice team matures. Some varsity swimmers whose potential prowess have been noted are Del Reed and Al Keubler, A12's; Lowell Smally and John Evans, B12's; and Pat Garner, A11. The enthusiastic response of the student body to this newly acquired sport will most certainly spur the Tiger swimmers to future victories.



Coach William Boone displays his characteristic profile as he scans swim team practice.

Standing out in this high action scene is the large mouth of Pat Garner. The other competitors are, from left to right: Ed Hamann, Roy Smith, Garry Aldrich, Mr. Garner, and Del Reed.

GYMNASTICS

McKinney.

A. Strasser goes up the rope in record time.

The gymnastic team, after losing two top performers at the beginning of the season, did not fare as well as expected. The team participated in seven dual meets, the league finals, and the city meet.

The bright note of this year's squad was the rope climbing team, consisting of Strasser, James, and Bruce. The travels and circles of Tom Slane on the side-horse and the all around performance of Ralph Pacheco on the parallel bars contributed significantly to the seasan's success.

Looking forward to 1960, San Fernando will have the following standouts returning: Harrison, Levine, Takaki, Weiss, Ezral, Duran, Rowland, Meyer, Hoening, Fike, Grider, Fizer, and T. Pacheco.

G A A

Members of the softball team look on as their captains make the big decision.

Tennis is an active game enjoyed by many of the girls in the G.A.A.

G A A

Among the most popular and active clubs on our campus is the Girls' Athletic Association which has a membership totalling two hundred seventy-five. Its size, however, is but one of the factors which makes the G.A.A. such an outstanding organization. Its well planned calendar provides its members with many hours of recreational activities in a wide variety of sports including basketball, bowling, softball and volleyball.

Playdays are especially noteworthy events in which various schools participate in competitive sports. This year San Fernando took part in playdays held at Birmingham, Hollywood and North Hollywood. Competition is exceedingly keen, but sportsmanship is highlighted.

Amusement can be found in a skillful game of bowling.

Volleyball team members wait anxiously for the serve.

Patsy McKenzie and Linda Reed demonstrate their skill in barminton.

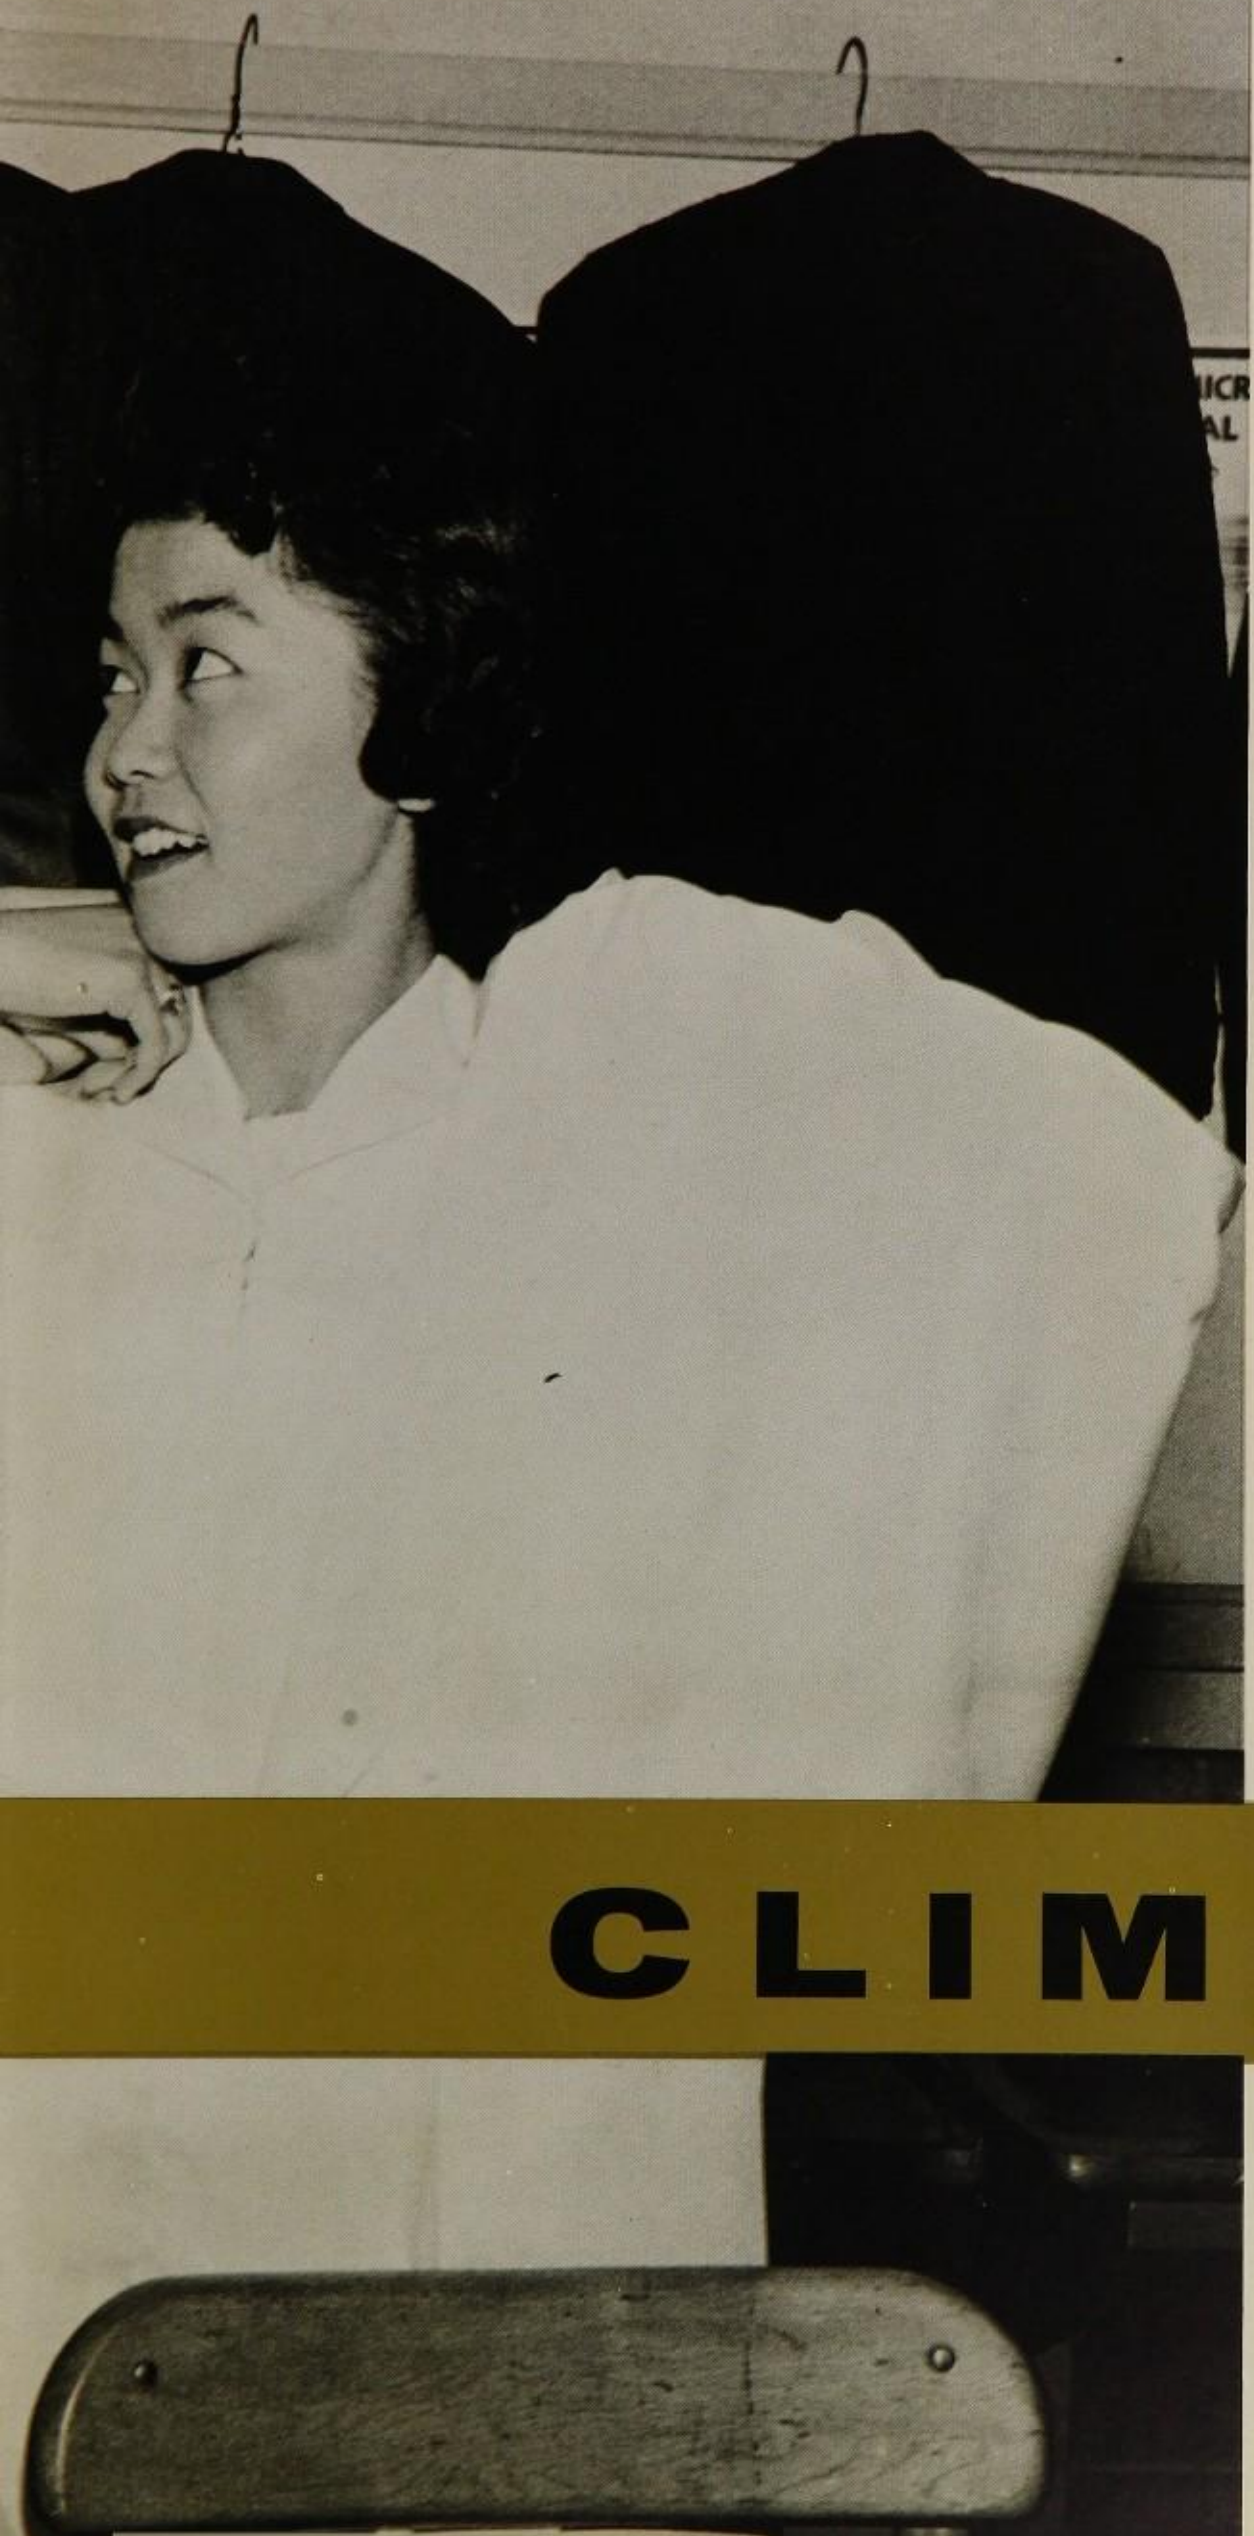
G A A

Archery is one of the favorite individual sports.

The G.A.A. Cabinet consists of a president, vice president, secretary, treasurer, recording secretary, historian and chairmen who are in charge of each of the major sports.

Another important phase of the G.A.A. is its affiliation with Lettergirls. After three semesters in G.A.A., a girl is eligible for membership in Lettergirls.

Letters are awarded at a sports night sponsored by the G.A.A. cabinet where teams of girls try their skill at relay races and various games. In this, as in all other events, sportsmanship plays a leading role.



CLIMAX

As in an O'Henry short story, the climax and end of our spectacular are one. The high point of our high school experience has been reached. Before our parents and friends we ascend the stage, say our pieces, receive our diplomas, and accept their congratulations. Only yesterday we were tenth graders getting our bearings; today, the golden times on the Senior Glade are behind us. Today, the world. Where to? What next?

EMMY

Hugh Richards received the Rotary Music award for distinguished and unselfish service in the field of music.

In every field there are people who catch the spotlight. Each of these personalities stand out for the achievement they have made. Tigerville has many worthy candidates in each field, from which the best has been chosen. Station KSF is indeed proud of this year's Emmey Award winners. Here we announce our Emmy awards. Three years of accomplishments with academic and service distinctions, plus that indefinable

WINTER AWARDS

Nancy Hopkins was the winter candidate for the Nina Brown scholarship.

Ann Marks received her Cabinet Achievement award from Nelson Carnes, former student of SFHS. Ann is a gold sealbearer, Valedictorian of her class, Ephebian and also winner of the Kiwanis service award.

The Betty Crocker Homemaker of tomorrow in San Fernando High school was Dorothy Bradbury.

Jean Muranaka is this year's winner of the annual award presented by The Daughters of the American Revolution.

Richard Huffman and Bobby Lujan receive their Businessmen's Association awards from Dick Baylor Editor on the "Sun" newspaper staff.

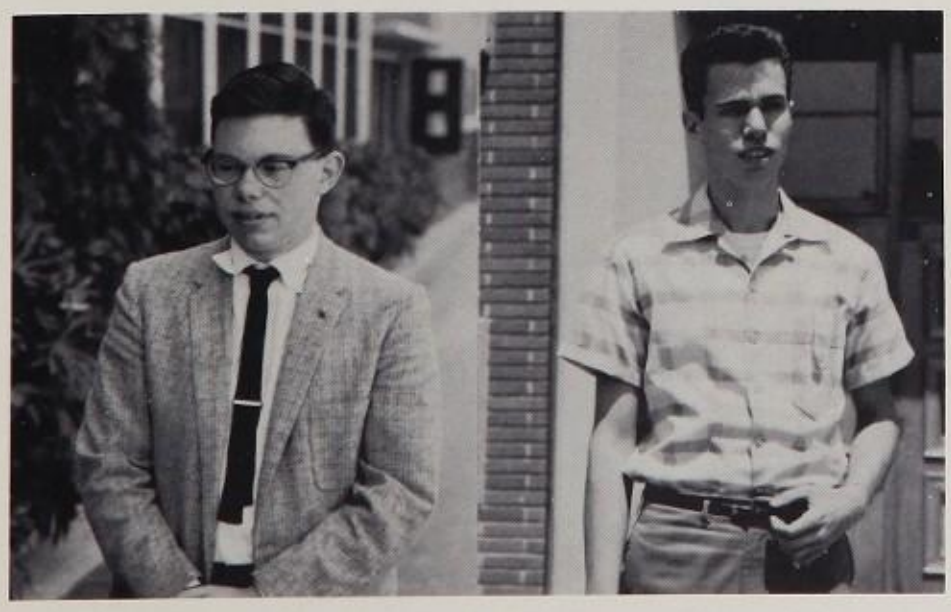
quality of an achiever: these features, and these only, gain a student admittance to these pages. Note well the names mentioned below. Here are leaders, well prepared to carry our great Tiger tradition to the larger community of the adult world. It is only fair to mention that some names are not here that should be here. This is only because our book goes to press before some of the second semester awards are announced.

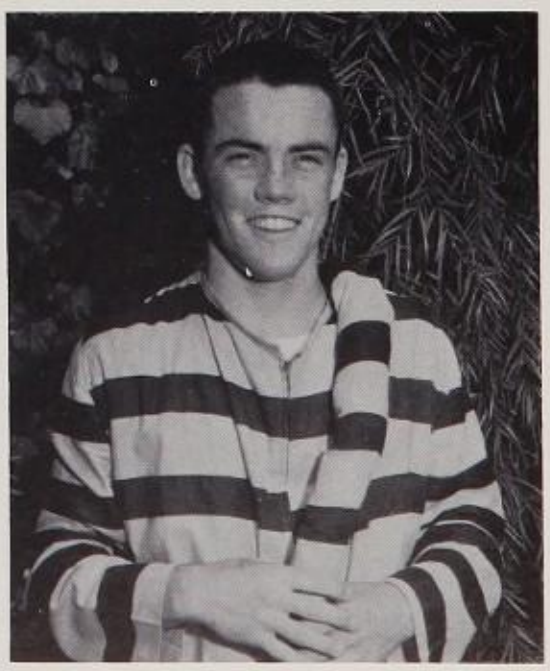
Exchange student Tom Leatherwood placed third in the Bank of America academic competition. He was also the recipient of a coveted Colgate University scholarship.

The summer class of '59 was led scholastically by Valedictorians Nancy Nicholson, National Merit Finalist; Sharon Van Bebber, First Place Bank of America winner; Joan Hausmann, and Jean Muranaka.

Vicki Gall received the Outstanding Student Award from the California Savings and Loan for her scholarship and participation in student government.



George Scott and Thomas Lynch received California State Scholarships. George has been accepted at California Institute of Technology; Tom plans to go to the University of Southern California.



Student Service award went to Howard Gillingham, second semester Tommy Tiger who was all things to all organizations.

Spring:
Diane Banchik, Jim Larsen, Joan Hazuka, George Pilimai, Penny Schmaus, Russell Rhodes, Sharon Farnon.

AUDITORIUM

BUT

We march up the aisles and we are proud. This is our moment. Twelve years of work are at an end. The faces of our friends reflect our own thoughts and we wonder, looking at these faces, how many times we shall see them again. We listen to the valedictory and, though we have heard it before, the words take on new meaning. We take our diploma and march sadly back down the aisle and we feel like strangers at home.

Waiting with anticipation, the Polynesians of W'59 will soon march down the aisle to graduation ceremonies.

Avalons, Jim Larsen and Jack Sanders receive help with their caps from Sharon Van Bebber and Jean Muranaka.

NOT GOODBYE

Sharon Van Bebber and Jean Muranaka adjust the caps of Jim Larsen and Jack Sanders. They then turn and follow Chuck Ellis, Nancy Nicholson, George Scott and Joan Hausmann in to the ceremonies. They think of last semester when Ann Marks delivered her valedictory and Sally Bryant and her fellow Polynesians walked the same path . . . to graduation.

LAST WORD

This year's Orange Blossom is the result of the combined efforts of many, who with their time and talents have made this yearbook the largest and finest ever produced at San Fernando High.

Of course all of the people involved cannot be thanked individually, but we would like to give special recognition to those who were greatly instrumental in the production of this annual.

A hearty vote of thanks goes to Orange Blossom Associate Editor Terry Skjervkeim, whose work in the advertising section made this annual financially possible.

Elizabeth Smith and Dennis Flanders, editors of the Whirlwind; their staffs, and sponsor, Miss Sandra Gordon; are to be commended for their contributions.

Mr. and Mrs. Auburn Graves, Official School Photographers; Gary Groff, staff photographer; Dick Baylor, photographer and Sports Editor for Mission Publications; and Mr. Doepke, also deserve our gratitude.

Thanks go to Mr. Coyne and the members of the Art Service Class for their work on posters and banners used for publicity in our sales campaigns.

Jim Powell of Mirro-Graphic assisted us with the book from its earliest planning stages and was very patient as we struggled to meet deadlines.

Finally, we wish to thank the administration and faculty for their cooperation throughout the past year.
